

CHRIST FOR INDIA

Impact Report 2007

Dear Supporter

In India there are estimated to be around 400 million children out of which 70 million are thought to be child labourers, 13 million homeless and 2 million street children. We feel like David standing in front of a Goliath but we will like David with your help together take on the challenge and make a difference, saving lives and winning Souls. The social impact we have made in 2007 in the nation of India is difficult to measure but Pastor R Abraham and his Co-workers together with you have certainly made a tremendous difference to the lives of 180 homeless children.

Focus on the Children

The Girls Home in Nagpur, Maharashtra state was established in 2004 in rented accommodation. The building and furnishing with your help was completed in 2007 with a capacity to look after 40 destitute children. Today with have 15 girls between the ages of 3 to 14.

Your regular support provided a loving home, food, clothes and education for our children for a period of 12 months. With your help these children will live to make a difference in the lives of their families and communities.

Sylvassa Children's home, Gujarat. Boys orphaned when epidemic swept through their town killing their parents.

Payal's story age 4 years (Nagpur, Maharashtra)

Payal's Father Vinod poured petrol over himself and then set himself alight and burnt to death. Little Payal saw her father burn to death before her eyes. She started to have nightmares of the death of her father. Her mother Rukmani washes dishes in various homes. The cruelty of poverty drove the little child to us. With prayers, we were able to bring deliverance from the nightmares she was having ever since the death of her father.

Focus on Micro Businesses

We have been able to provide 8 brand new cycle rickshaws for poor people to be able to earn a living and support their families.

The people who are selected to receive a cycle rickshaw free are members from local churches with a recommendation from their Pastor. Once the business is going they give back a percentage of the money they earn to support their local church

Focus on Pastors & Churches

Through the sacrificial and committed support of our donors we have been able to raise support for more than 150 Pastors and their families every month to bring the Good news of the Gospel of Jesus Christ to the people of India. We still need support for more than 350 Pastors & wives who need \$50 per month. We were also able to purchase more than 150 bicycles this year we still need 170 bicycles each costing \$80.

Focus on Bible Schools

Young men and women are trained every year from our 16 Bible Schools in different states of India and sent out into the ministry to start new churches. As these young people only come with the Call of God on their lives and no financial support, we desperately need your support for these Bible Schools. We grow 150 new churches per year with the help of these newly trained workers.
