## Greetings

Dear Friends,

**G**reetings to you in the Matchless Name of our Lord Jesus Christ!

I could not believe that almost half the year has already gone by as I sat down to write to you some news about the ministry. The year 2010 has been very hectic but very blessed.

## State Conventions

The year started with state conventions in Andhra Pradesh and Gujarat in January and February, respectively. Thousands of people and hundreds of pastors attended these state conferences. Scores of people were healed and saved by the power of God. New churches were established during the weeks that followed. God has been blessing our ministry, saving hundreds of souls everywhere I went. To God be the glory.

One of my greatest dreams of building was a retirement home for our pastors has come true in the month of February 2010. This was made possible by the generous gift of Brother Alex and Vicki from England to whom God clearly revealed to help out with this project. Bethesda Home can accommodate 70 pastors in 35 suite

rooms, who can retire here after many decades of serving the Lord tirelessly. These are pastors who do

not have social security, pension or life insurance. They have lived a life of faith, which has given them the richness and satisfaction of the ministry but no financial savings. Bethesda Home will become their home where both husband and wife can live until they go home to be with the Lord.

# WE HAVE GROWN TO 2740 CHURCHES

Dear friends,

I have been traveling constantly, conducting pastors meetings with my pastors, continuously planning and preparing for our vision 2010. I am pleased to inform you that **we have grown to be 2740 churches** as on April this year and if God willing, well on our way towards

Church Dedication

reaching the 3000 churches milestone by the end of the year! An-

other dream of mine came to pass of starting more than 365 churches last year (1 church a day).

## NEEDS

Everywhere I go, I hear all the pressing needs of our pastors and their churches. I need 273 bicycles for my new pastors. There are 45 churches which have lost their roofs, walls and are very much in dilapidated conditions. We need \$800 to repair

each one of these churches. These churches are in dire need of our help. We need sponsors to sponsor our new pastors with \$50 a month. The Real Life Family Centre in Washington supports 50 orphan children from our 11 Children Homes. We are desperately in need of sponsors for 70 chil-

dren with \$25 a month. Please become a guardian to these children.

## Bible College Graduations

The months of April and May are the months where

we graduate students from our various Bible colleges. From Bethesda Bible Institute, Vapi in Gujarat State, we graduated 16 students who will be stepping into the ministry very soon. Also in April, the graduation of our Bethesda Bible College, Haryana which grants Bachelors in Theology degrees to the students took place. 9 students graduated and have already come into the ministry. In the month of May, the graduation of Bethesda Bible Institute, Kumbakonam in Tamil Nadu State was conducted and 10 students graduated from there. As I am writing, I am preparing to go to Bhubaneswar in Orissa state to conduct the graduation service for our bible school there from where 12 students will be graduating this year. I am praying that God will provide us the finance to train up at least 400 students every year to be sent into the new churches that we start.

### In Closing,

This ever growing ministry has been made possible by your generous and sacrificial giving. I can promise you that your funds have been sown in good soil which is bringing forth thirty, sixty and a hundred fold. As you read this newsletter, if the Holy Spirit inspires you to help with any of our above mentioned needs, please respond to His call.

Joyce and the children join me in sending their love and greetings to every one of you. We love you all very much.

With Sincere Prayers,  
Your Friend in Christ,  
Pastor R Abraham
