HEART to HEART

Pastor R. Abraham

Dear Friend,

When i look back at my life, it feels like i started the ministry yesterday. This journey with God has been a whirlwind for me. I have mainly been just enjoying the ride that He has been taking me on. At 4200 churches, 17 orphanages, 15 Bible colleges, 5 high schools, destitute sewing schools and much more, God is NOT DONE yet! I just want to share some of the stories of the happening in our initiatives around the country, so that you are inspired, encouraged and transformed by the power of God that is moving in India. I also once again thank you for your support through prayers, finances or any other medium. It is my honor to partner with you to extend the kingdom of God.

DARE to DREAM

at "Khel Kamra"

We have finished nearly all the Bethesda childrens homes with the Khel Kamra which means playroom project. This room was our idea of giving the children in our homes an opportunity to dream and encourage to follow their dreams in sports, music and arts. Every room in this project has murals of

bible stories on the walls and all possible indoor and outdoor toys. This has been so exciting for the kids and has lifted up their spirits to know that they are loved. We will be one of the few facilities in the country of India, that has a playroom dedicated for the children.

UNSTOPPABLE

Pastor
Mistri,
Maharashtra

Our passion which is to bring people to the knowledge of Jesus Christ is always our primary focus. Pastor Mistri epitomizes his passion and zeal for the lost. Born into a hindu family with Polio, he was unable to walk properly since childhood. He accepted Christ when he was 20, then went to our Bible college after which he returned to become a full-time pastor in

his native village in Maharashtra, almost 5000 ft above sea level. The mountainous terrain never stopped this pastor to propagate the gospel with his stick. God enabled us to buy him a bike, so that he can do the work of God faster and spread the aroma of Jesus Christ. He is able to cover more villages at a much faster pace now.

YARNS of LOVE

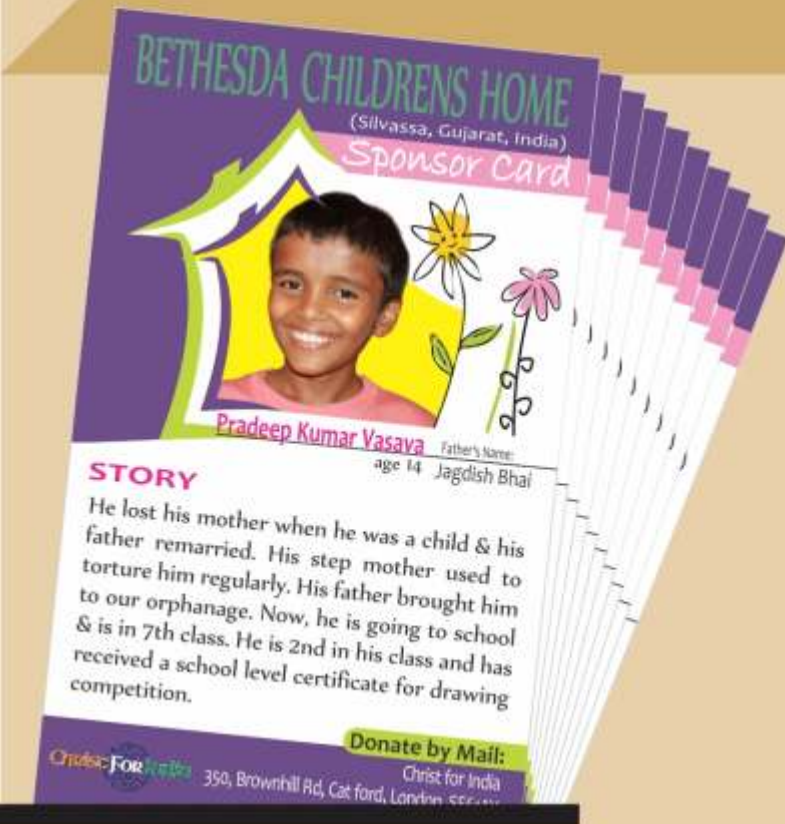

In the past months we were able to buy sewing machines for women in the state of Uttar Pradesh. We are looking for opportunities to empower women who have been kicked out of their homes or do not have the means to survive as their

husband do not know God or is always under the influence of alcohol putting the burden of the family on the mother. We have provided 10 such sewing machines in this area exhibiting the love of Jesus Christ.

Sponsor a cause..

There are many children who need to be sponsored on a monthly bases. These boys and girls have come from adverse situations into our homes. They are completely taken care of at the home. We feed them, clothe them, educate them and give them a family where they can be nurtured. If you feel in your heart that you would like to adopt a son or a daughter. Please get in touch with us at ranjit.nicog@gmail.com

There are many pastors who are in the mission field who need to be supported. These pastors are in the most remote parts of the country propagating the Gospel. The support that we send them takes care of their basic needs. If you feel that you would like to help these heroes of the faith, please get in touch with us at ranjit.nicog@gmail.com
