NICGUK is a registered Non profit of the parent Organization New India church of God existing in India since 1976.

Spreading love with compassion..
Serving humanity with a purpose..

Heart to Help...

Pastor R. Abraham

Dear friends,

Christian Greetings,

First of all I wish you all a blessed and prosperous new year 2016. I pray and believe that this letter finds you in good health and rejoicing in the Lord. God has been so good to us last year and we have seen growth in every area of our ministry. Thousands of souls have been saved, revival continuing on in Orissa, hundreds of orphan children cared for, thousands of children taught in our schools, hundreds of destitute women taught to sew, hundreds of young men trained in our Bible colleges, more than 800 women's prayer groups started all over the country who are praying and interceding for the revival of the nation and our ministry continues to grow leaps and bounds.

Let me give you the report of the things that have happened in the last months of 2015.

Visit to

Korea

The church growth International conference we held in Korea in the of October 2015. Two wonderful things happened - Dr Cho invited me to be the main speaker at the World Cups stadium. It was so wonderful to preach 120,000

people. Also my son Ranjit got the privilege of singing at the grand opening rally at Dr Cho's Church. It was blessed conference. You can hear my preaching on YouTube <http://youtu.be/mpFmrdvymk>

35th Northern Regional Convention

The 35th Northern Regional Convention was held from the 11th to the 15th of November, in Gwalior in the premises of our Engineering College. More than 2000 pastors and delegates attended this convention. Pastor Lee Cummings and pastor Mike popenhagen were the main speakers from Michigan. God really moved and pastors and others rededicated their lives for building God's Kingdom.

The colours and cultures is an event shows the different cultures of ethnic groups in India where we are spread across working and ministering in India. The documentary of the beginning and growth of the ministry was also amazing. All of us left the convention with a vision of establishing more churches.

Inauguration of *Bethesda Children's Academy* in Kuaramunda, Orissa

I am so pleased to inform you that Pastor Lee Cummings and his church of Richland Michigan had donated the funds to build the 1st stage of our school in this troubled torn, persecuted state of Orissa. This will be our new school which will commence from April 2016. This would be a witness of Jesus Christ among the heathens in that area. It was

wonderful to have Pst Lee and his team to come and dedicate this building.

Radiant church has built the building for us now we are desperately looking for buying 100 desks and benches for the children. We can buy one set for \$40. Everyone can make a contribution and make a difference.

Bethesda Children's Home

Silvassa, Gujarat

It was Radiant church yet again came forward to sponsor the construction of an amazing building in Silvassa, Gujarat for our orphan children. Could you imagine the children who were staying in 2 rooms get to have a 2 storey building with all the facilities that they could never imagine become a reality!!

Now we need 20 beds, each costing £ 80, dining tables and study chairs. Please help us to furnish these homes.

We had several outreach programs during the month of December and we have seen many new people coming to these functions and attending our church in New Delhi.

Now on the 5th of January 2016 I am packing up my bags for my 1st travel visiting

Kerala, Gujarat, Maharashtra and Madhya Pradesh for the next 10 days to reach the lost. I am 63 old man and I need your valuable prayers for God to sustain me and use me in this new year.

Joyce and I and my children thank everyone of you for being an ardent and generous support of this ever growing ministry. Please continue to be a vital part of reaching this great nation of India.

With love and prayers

Your friend in Christ

Pastor Abraham

Sponsor a cause..

There are many children who need to be sponsored on a monthly bases. These boys and girls have come from adverse situations into our homes. They are completely taken care of at the home. We feed them, clothe them, educate them and give them a family where they can be nurtured. If you feel in your heart that you would like to adopt a son or a daughter. Please get in touch with us at ranjit.nicog@gmail.com

There are many pastors who are in the mission field who need to be supported. These pastors are in the most remote parts of the country propagating the Gospel. The support that we send them takes care of their basic needs. If you feel that you would like to help these heroes of the faith, please get in touch with us at ranjit.nicog@gmail.com
