Setting The Captives Free

Dear friends,

2016 started with a new vision and a dedication for our ministry. I started travelling from the beginning of January conducting revival meetings and crusades in the states of Gujarat, Madhya Pradesh and Maharashtra.

God did amazing work among the people and hundreds of people were saved and many were healed from incurable diseases. May I take this opportunity to share with you about the amazing healings that God did. As usual in every meeting I pray a mass prayer for healing and call out to people to come forward to give testimonies of healing. In Madhya Pradesh many people got healed and gave their testimonies. Among those who were healed, one man came forward to share what the Lord did for him. He had his arm wrapped in towel. When he removed the towel I saw that he had no hand. The story was that when the country made bomb that use to catch fish blew up in his hand,

through which he lost his hand, his eyesight and was having difficulty in breathing. When I prayed, the Lord opened his eyes and he received his sight and all his internal organs started working normal and except for the hand he was totally healed. Praise the Lord!

In Gujarat, among the people who were healed a lady came forward jumping up and down with joy shared with me that during my prayer the tumour that was in her stomach which was as big as golf ball had completely disappeared and she was completely healed. Praise the Lord! Jesus is still in the business of healing and saving people.

In the beginning of February, I travelled to West Bengal and conducted meetings in the hilly regions of Himalayas. It was a great blessing.

Regional Pastors Vision Casting Seminar

I organised a three days seminar for the Regional and Area Pastors of New India Church of God. In this meeting I unveiled the strategy for the next ten years, to take the organization to the next level of ministry. Leaders were appointed to head the various departments. It was an amazing time of fellowship together. During this conference we were able to ordain Ranjit Abraham as a fully ordained minister of New India Church of God.

This was the vision casting of how we want to plan for the future of the organisation. As i get older i feel the need to empower and equip the

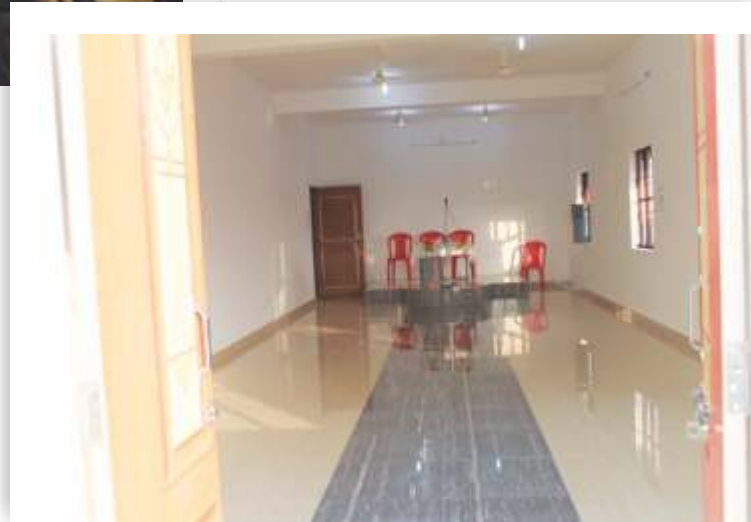

younger and the upcoming generation to take up the mantle that God has placed on my life. It is about time to see step back and lead the way for the future. We had the regional pastors share their stories of victory in ministry, their times of grief. It was a perfect time to glean on what God is doing through the ministry in the different parts of the nation through our pastors. A very fulfilling moment for me.

Dedicating the 18th Bethesda Children Home

"Bethesda Boys home situated in Gwalior was sponsored by a good friend to dedicate another orphanage building called Bethesda Boys Home in Gwalior. This project was sponsored by a good friend of mine Dr Ken Eldred from USA. It was a great change for the orphan children from a two bedroom apartment to a two storey building with all the facilities. We desperately need \$4000 for furnishing this home.

“ I am so glad that God is blessing our efforts to build more homes for the under privileged children that God brings into

the life of the ministry. The vision that just started to take care of a few boys has become a huge initiative of establishing homes all across the nation of India taking in many boys and girls who have no where to go but now have hope though the love and care that we are able to give them through the love of Jesus Christ.

Blessing of Bicycles to The Pastors

I am happy to inform you that Pastor Lee Cummings of Radiant Church, Michigan generously gave \$30,000 to buy 300 bicycles. The money has been sent to the pastors for the purchase of the bicycles.

We need another 400 bicycles, with each costing \$100.

Friends, there are so many pressing needs like repairing of church buildings, buying gas lanterns, plastic carpets for the muddy floors etc. Every small gift that you give will make such a huge difference for these people. Dearly beloved, this ministry would have never been possible without your partnership, prayers and financial

support. I request you to kindly continue to be a part of this ever growing ministry and do your best to reach this country for Jesus. Joyce and children are joining me sending their love to you all. May God bless you.
